

Memo from

To:

JOSHUA LEDERBERG

Morris F S haffer

OCT 12 1972

Dear Morris--

I have no record (I am chagrinned to say) of having answered this, for which may I offer my shamefaced aplogies.

But I would have had to say no; and am still in the same situation; so I hope this delay has been less an inconvenience than a discourtesy.

Sincerely,

PROFESSOR JOSHUA LEDERBERG
